Dave called mtg to order.

Attendance: Dale R, Sean F, Coca Cola Dave, Jeff S, Pierre R, Steve M, Dave L, and Jess D were present

Dale gave the following treasurers report:

We took in \$513 this month. We are carrying \$1600 total in the treasury right now. We are looking at about \$430 in expenses for this upcoming event, Circle of Friends. A grill will be provided, charcoal grills are no longer allowed on the beach so we will be providing a propane grill. Jeff and Dale are looking into insurance policies for next years events as that will be required in 2009. This year it will be \$10 per car to enter the park. The band will be there again this year, Crazy Joe and the Still in the Cellar Band. Flyers were distributed for reproduction and distribution.

Jess gave a NHSCYPAA update and distributed some literature to out reach the conference. She also mentioned the tickets for the Manchester Fisher Cats game if anyone is interested in joining up; NHSCYPAA purchased 75 tickets. Jess has the registration form and will email this to the group for reproduction and distribution. Jess motioned that NHSCYPAA be allowed to distribute flyers and accept registrations at Circle of Friends. Jeff seconded that motion, and the motion passed unanimously.

Quick Note: San Antonio Texas will host the next International AA Convention.
